Cancer Care Network — India

Patient Knowledge Base

Agentforce RAG Grounding Document

This document is the grounding knowledge source for the Onco Global Agentforce scheduling agent. Each section is a self-contained chunk optimised for retrieval. Upload to Agentforce Knowledge or Einstein Search Answers.

1. About Onco Global

Who We Are

Onco Global is one of India's leading dedicated cancer care networks with over 10 hospitals and treatment centres across major cities. We specialise exclusively in oncology — the diagnosis, treatment, and ongoing care of cancer patients. Our network brings together India's most experienced oncologists, surgeons, radiation specialists, and supportive care teams under one unified system.

Our Mission

To make world-class cancer care accessible, compassionate, and seamless for every patient and family in India. Every patient deserves fast access to the right specialist, clear information, and continuity of care throughout their cancer journey.

Why Choose Onco Global

- Dedicated cancer care — we treat only oncology, not general medicine
- 10+ specialised centres across India with a unified patient record system
- Experienced oncologists covering all major cancer types
- Multilingual support — English, Hindi, Marathi, Gujarati, Malayalam, Telugu and more
- Self-service appointment booking via web chat, WhatsApp, or phone — available 24/7
- Integrated reminder systems and follow-up care to support your full cancer journey

2. Our Hospital Locations

Patients can book at any centre. Each centre offers different specialties. Match patients to the nearest centre that offers the specialty they need.

Driving Directions	From Panjagutta Circle, continue into Banjara Hills → take Road No. 12 → proceed to Plot 45 near MLA Colony.

Agent tip: If a patient asks which centre is closest, ask for their area or pin code and match to the nearest centre offering the required specialty.

3. Oncology Specialties

Use this section to match patient symptoms or cancer types to the correct specialty and doctor. If a patient describes a symptom without naming a specialty, use the symptom routing table in Section 4.

Medical Oncology

Medical oncology covers non-surgical cancer treatment including chemotherapy, targeted therapy, immunotherapy, and hormone therapy. This is the first point of contact for most cancer patients. Available at all centres. Consultation duration: 20 minutes.

- Breast cancer diagnosis and treatment
- Lung cancer — chemotherapy and targeted therapy
- Blood cancers — leukaemia, lymphoma, myeloma
- Gastrointestinal cancers — stomach, colon, liver, pancreas
- Follow-up consultations after surgery or radiation

Gynaecological Oncology

Gynaecological oncology focuses on cancers of the female reproductive system. Handles both surgical and medical treatment. Available at Pune, Girgaon, Chembur, Gachibowli, Vile Parle Centres. Consultation duration: 30 minutes.

- Cervical cancer — screening, diagnosis, treatment
- Ovarian cancer — all stages
- Uterine and endometrial cancer
- Vulvar and vaginal cancers
- HPV-related conditions requiring oncology assessment

Surgical Oncology

Surgical oncology involves surgical removal of tumours and cancerous tissue. Available at Bandra, Marine Lines, Dadar, Secunderabad, Banjara Hills Centres. Consultation duration: 25 minutes. A referral from Medical Oncology is recommended but not mandatory.

- Head and neck cancer surgery
- Breast cancer surgery — lumpectomy, mastectomy, reconstruction
- Thyroid and parathyroid surgery
- Soft tissue and bone tumour removal
- Minimally invasive cancer surgery

Paediatric Oncology

Paediatric oncology specialises in cancer diagnosis and treatment for children from birth to 17 years of age. Available at Andheri, Bandra, Opera House, Santacruz, Vile Parle Centres. Consultation duration: 30 minutes. A parent or guardian must accompany all patients under 18.

- Childhood leukaemia — ALL, AML
- Brain and spinal tumours in children
- Neuroblastoma and Wilms tumour
- Lymphomas in children and teenagers

- Bone tumours — osteosarcoma, Ewing sarcoma

Radiation Oncology

Radiation oncology uses precisely targeted radiation to destroy cancer cells using techniques including IMRT, IGRT, and stereotactic radiosurgery. Available at Bandra, Marine Lines, Secunderabad, Banjara Hills Centres. Consultation duration: 20 minutes. Referral from Medical Oncology is typically required.

- IMRT — Intensity Modulated Radiation Therapy
- IGRT — Image Guided Radiation Therapy
- Brachytherapy for cervical and prostate cancers
- Stereotactic Radiosurgery (SRS) for brain tumours
- Palliative radiation for pain and symptom management

4. Symptom to Specialty Routing Guide

Use this table when a patient describes symptoms but does not know which specialty they need. Match their description and route them to the correct specialist and centre.

Patient describes...	Route to specialty	Urgency	Centre
Lump in breast, breast pain, nipple discharge	Medical Oncology — Breast	Priority	Any centre
Cough over 3 weeks, blood in sputum, unexplained weight loss	Medical Oncology — Thoracic	Priority	Any centre
Irregular vaginal bleeding, pelvic pain, bloating	Gynaecological Oncology	Urgent	Pune, Girgaon, Chembur, Gachibowli, Vile Parle
Swollen lymph nodes in neck, armpit, or groin	Medical Oncology	Priority	Any centre
Difficulty swallowing, hoarse voice, lump in neck or jaw	Surgical Oncology — Head and Neck	Urgent	Bandra, Marine Lines, Dadar, Secunderabad, Banjara Hills
Child with unexplained bruising, fatigue, swollen abdomen	Paediatric Oncology	Priority	Andheri, Bandra, Opera House, Santacruz, Vile Parle
Follow-up after chemotherapy or surgery	Medical Oncology	Routine	Any centre

Patient describes...	Route to specialty	Urgency	Centre
Radiation therapy review or planning	Radiation Oncology	Routine	Bandra, Marine Lines, Secunderabad, Banjara Hills
Bone pain, fracture without injury, spinal pain	Medical or Surgical Oncology	Priority	Bandra, Marine Lines, Dadar
Blood in urine, prostate concerns	Medical Oncology	Priority	Any centre
Scared, urgent, severe pain — any cancer concern	Escalate urgency — earliest slot	Urgent	Nearest centre

Agent tip: If a patient uses words like 'scared', 'urgent', 'severe pain', or 'I cannot sleep' — acknowledge their concern with empathy before proceeding to booking. Always prioritise the earliest available slot.

5. Our Doctors

Use this section when a patient asks about a specific doctor, wants to know who is available for a specialty, or asks about qualifications and languages spoken.

Dr. Anil Mehta — Medical Oncology

Detail	Information
Specialty	Medical Oncology — Breast Cancer
Centre	Bandra Centre

6. Booking an Appointment

How to Book

Patients can book through: web chat at www.oncoglobal.in (24/7), WhatsApp (24/7), phone to any centre (Mon–Sat, 9 AM–6 PM), or walk-in at any centre reception.

What You Need to Book

- Full name and date of birth
- Mobile number — for confirmation and reminders
- Preferred centre and doctor, or specialty if unsure
- Preferred date and time
- Brief description of your reason for visiting

Booking for a Family Member

You can book on behalf of a family member. Provide their name, date of birth, and contact details. For paediatric patients under 18, a parent or guardian must be present at the appointment.

Booking by Specialty vs by Doctor

- By specialty — describe your concern and we match you to the right doctor and earliest slot
- By doctor — choose your preferred doctor and we show their available slots directly

Confirmation

- Immediate SMS confirmation with appointment details sent via Twilio
- Reminder SMS 24 hours before appointment with directions and a preparation checklist
- Follow-up message after the appointment

Agent tip: For returning patients, check appointment history and pre-select their previous doctor. This reduces friction and demonstrates a personalised experience.

7. Rescheduling and Cancellation

How to Reschedule

Contact us through any channel and tell us your name and the appointment you want to change. We will show the next available slots with the same doctor. Rescheduling is free of charge. Please reschedule at least 4 hours before your appointment.

How to Cancel

Tell the agent your name and that you wish to cancel. The agent confirms the appointment and completes the cancellation immediately.

Important: Cancellations made less than 2 hours before the appointment may not be eligible for a refund of any advance payment. Please cancel as early as possible.

No-Show Policy

If you do not attend and have not cancelled, your appointment will be marked as a no-show. Please contact us as soon as possible and we will help you rebook at the earliest available slot. We understand that emergencies happen.

8. Preparing for Your Appointment

What to Bring

- Government-issued photo ID — Aadhaar, PAN, passport, or driving licence
- Previous medical reports, scans, or test results related to your condition
- A list of current medications
- Health insurance card or policy details if applicable
- A family member or caregiver is welcome to accompany you

First Visit

Please arrive 15 minutes early on your first visit to complete registration. Returning patients can arrive at their appointment time — your records are already in our system.

Paediatric Patients

A parent or legal guardian must accompany all patients under 18. Bring the child's vaccination records and previous medical history. Our team is trained to make the experience child-friendly and supportive for the whole family.

Fasting Requirements

Most consultations do not require fasting. If your appointment involves specific investigations, our team will inform you in advance. When in doubt, call the centre before your visit.

9. Consultation Fees and Payment

Doctor	Specialty	Centre	Consultation Fee
Dr. Anil Mehta	Medical Oncology	Bandra	Rs. 1,500
Dr. Sunita Rao	Gynaecological Oncology	Pune	Rs. 1,800
Dr. Rahul Desai	Surgical Oncology	Bandra	Rs. 2,000
Dr. Kavya Nair	Paediatric Oncology	Andheri	Rs. 1,500
Dr. Vikram Joshi	Radiation Oncology	Bandra	Rs. 1,800
Dr. Arnav Sharma	Medical Oncology	Gachibowli	Rs. 1,500
Dr. Deepa Verma	Gynaecological Oncology	Girgaon	Rs. 1,800

Doctor	Specialty	Centre	Consultation Fee
Dr. Ananya Pillai	Surgical Oncology	Dadar	Rs. 2,000
Dr. Meena Iyer	Gynaecological Oncology	Chembur	Rs. 1,500
Dr. Rekha Ghosh	Gynaecological Oncology	Vile Parle	Rs. 1,800
Dr. Priyanka Sinha	Paediatric Oncology	Bandra	Rs. 1,500
Dr. Padma Subramanian	Radiation Oncology	Bandra	Rs. 1,800
Dr. Geeta Nambiar	Radiation Oncology	Bandra	Rs. 2,000
Dr. Ajay Krishnan	Paediatric Oncology	Bandra	Rs. 1,500
Dr. Vikrant Singh	Surgical Oncology	Bandra	Rs. 1,800
Dr. Suresh Kapoor	Medical Oncology	Marine Lines	Rs. 1,500
Dr. Sanjay Gupta	Surgical Oncology	Bandra	Rs. 2,000
Dr. Rohan Mehta	Paediatric Oncology	Bandra	Rs. 1,500
Dr. Arun Tiwari	Radiation Oncology	Bandra	Rs. 1,800
Dr. Rajesh Nair	Medical Oncology	Opera House	Rs. 1,500
Dr. Amitabh Chatterjee	Surgical Oncology	Bandra	Rs. 2,000

Fees shown are for the consultation only. Diagnostic tests, investigations, medications, and treatment costs are billed separately.

Payment Methods

- Cash — accepted at all centres
- Debit and credit cards — Visa, Mastercard, RuPay
- UPI — Google Pay, PhonePe, Paytm, BHIM
- Net banking

Health Insurance

Onco Global works with most major health insurance providers in India. Please carry your insurance card and policy number to your appointment. Our billing team will process claims directly with the insurer for covered services.

Agent tip: Never confirm insurance coverage on behalf of a patient. Direct them to call the billing team at their chosen centre to verify coverage before the appointment.

10. Common Patient Questions and Answers

This section is optimised for direct RAG retrieval. Each Q and A is a complete standalone response the agent can use or paraphrase when answering patient queries.

About Our Services

Q: Does Onco Global treat all types of cancer?

A: Onco Global specialises exclusively in oncology and covers all major cancer types including breast, lung, blood, gynaecological, head and neck, paediatric, and gastrointestinal cancers. Our specialists cover Medical Oncology, Surgical Oncology, Radiation Oncology, Gynaecological Oncology, and Paediatric Oncology across 13 centres in Mumbai, Pune, and Hyderabad.

Q: Can I come to Onco Global without a referral?

A: Yes. You do not need a referral to book a consultation at Onco Global. You can book directly through web chat, WhatsApp, or by calling any centre. For Surgical Oncology and Radiation Oncology we recommend seeing a Medical Oncologist first, but it is not mandatory.

Q: I am worried about cancer but have not been diagnosed yet. Can I still book?

A: Absolutely. Many patients come to us with a concern or symptom before any diagnosis. Our specialists are experienced in initial assessment and will guide you through appropriate tests and next steps. Book a Medical Oncology consultation and describe your symptoms when booking.

Q: Do you offer second opinions?

A: Yes. Please bring all existing reports, scans, biopsy results, and treatment history to the appointment. Our specialists will review your case and provide an independent clinical opinion.

About Appointments

Q: How soon can I get an appointment?

A: In most cases we can offer an appointment within 2 to 5 working days. For urgent cases we make every effort to provide same-day or next-day slots. Please tell us if your situation is urgent when you contact us.

Q: Can I choose my own doctor?

A: Yes. You can book with a specific doctor if you have a preference, or book by specialty and we will match you with the next available specialist.

Q: How long will my appointment be?

A: Medical Oncology: 20 minutes. Surgical Oncology: 25 minutes. Gynaecological Oncology: 30 minutes. Paediatric Oncology: 30 minutes. Radiation Oncology: 20 minutes. First visits may take slightly longer as we gather your full history.

Q: Can I book for my elderly parent?

A: Yes. Provide their name, date of birth, and contact number when booking. If they need assistance travelling to the centre please mention this so we can note it on the appointment.

Q: What happens if I am late?

A: Please call the centre as soon as possible. If you are more than 15 minutes late the doctor may not be able to see you and you may need to reschedule. We ask that you always call ahead in such situations.

About Locations and Facilities

Q: Which centre should I go to?

A: We have 13 centres across Mumbai, Pune, and Hyderabad. The right centre depends on your location and the specialty you need. Tell us your city and area and we will find the nearest centre offering the right specialist.

Q: Is parking available?

A: Yes. All Onco Global centres have parking available. Mumbai centres with free parking for the first 2 hours include Bandra, Marine Lines, Dadar, Secunderabad, and Banjara Hills. Pune, Girgaon, Chembur, and Gachibowli centres offer free patient parking. Opera House, Santacruz, and Vile Parle centres have basement parking.

Q: Are your centres wheelchair accessible?

A: Yes. All centres have ramps, lifts, and accessible toilets. If you require additional assistance please let us know when booking and we will make arrangements.

About Costs and Insurance

Q: How much does a consultation cost?

A: Consultation fees range from Rs. 1,500 to Rs. 2,000 depending on the doctor and specialty. Medical Oncology and Paediatric Oncology consultations are typically Rs. 1,500. Gynaecological Oncology and Radiation Oncology are typically Rs. 1,800. Surgical Oncology is typically Rs. 2,000. These are consultation fees only — tests and treatments are billed separately.

Q: Does health insurance cover your consultations?

A: Onco Global works with most major health insurance providers. Coverage depends on your specific policy. Please contact our billing team at your chosen centre to confirm whether your policy covers oncology consultations before your appointment.

Q: Do I pay in advance or on the day?

A: Payment is typically made on the day of your appointment at the centre. We accept cash, card, UPI, and net banking.

About Cancer Care

Q: What is the difference between Medical Oncology and Surgical Oncology?

A: Medical Oncology treats cancer with medicines such as chemotherapy, targeted therapy, and immunotherapy. Surgical Oncology treats cancer through surgery. Many patients see both specialists as part of a combined treatment plan. Your Medical Oncologist typically coordinates your overall care.

Q: What is radiation therapy and does it hurt?

A: Radiation therapy uses precisely focused beams of energy to destroy cancer cells. The treatment itself is painless — you will not feel the radiation during the session. Sessions are usually 15 to 30 minutes and are given over several weeks. Some patients experience side effects such as skin irritation or fatigue which our team will monitor and manage.

Q: My child has been diagnosed with cancer. What should I do first?

A: We understand this is an extremely difficult time. Please book an appointment with our Paediatric Oncology team as soon as possible. Dr. Kavya Nair at Andheri Centre and Dr. Ajay Krishnan and Dr. Rohan Mehta at Bandra Centre are experienced in supporting both children and families through every stage of diagnosis and treatment. You do not have to face this alone.

11. When to Escalate to a Human Agent

The Agentforce agent must escalate in the situations below. Never attempt to handle these through the automated agent.

Situation	Action	Reason
Patient expresses severe distress, mentions self-harm, or is in crisis	Escalate immediately — highest priority	Requires human empathy and clinical judgment

Situation	Action	Reason
Patient reports a medical emergency or acute symptoms	Advise to call 112 immediately, then escalate	Agent cannot provide emergency medical advice
Patient has a complaint about a previous appointment or doctor	Escalate to patient relations team	Complaints require human handling and documentation
Patient asks for a medical opinion or about their test results	Escalate to clinical team — never interpret results	Agent cannot provide medical advice
Patient needs an interpreter in a language not supported	Escalate to contact centre with language noted	Specialised interpretation may be needed
Insurance pre-authorisation or billing dispute	Transfer to billing helpline at the relevant centre	Complex billing requires human verification
Patient has complex scheduling needs — multiple appointments across specialties	Escalate to care coordinator	Requires coordination across departments
Agent cannot find available slots matching patient requirements	Escalate to contact centre to check manually	May require waitlist or special arrangement

Agent tip: When escalating, always pass the full conversation summary, patient name, contact number, and reason for escalation. The patient should never have to repeat themselves to the human agent.

12. Contact Directory

Centre	Phone	Available
Bandra Centre (Mumbai)	+91 22 4001 1000	Mon–Sat, 9 AM–6 PM
